Pitch Process

TOP TIP: Follow the steps on this form to ensure that you and the young people pitching have had the best possible panel experience.

1. HELLO'S & INTRODUCTION'S

Young people and panel members meet either in person or online. Everyone introduces themselves and make the young people feel comfortable. Facilitator leaves the room (unless previously agreed) for the young people to present their pitch

2. PITCH

Young people present their pitch as creatively as they choose!

3. PANEL QUESTIONS

At pitch, it's important you check your understanding and ask questions. Make sure all group members contribute and ask question such as:

- How did you come up with the idea?
- Why do you want to do this project?
- Which Key Skills have you developed the most? How?
- Other than the 12 Key Skills what have you learnt?
- Was the work shared equally by the group?
- How did have responsibilities? And have you seen them through?
- Did you try different places or suppliers to see who was the cheapest?
- How did you solve any problems?
- Have you raised any money from anywhere else?
- What records have you been keeping?
- Did you have fun planning your Key project?

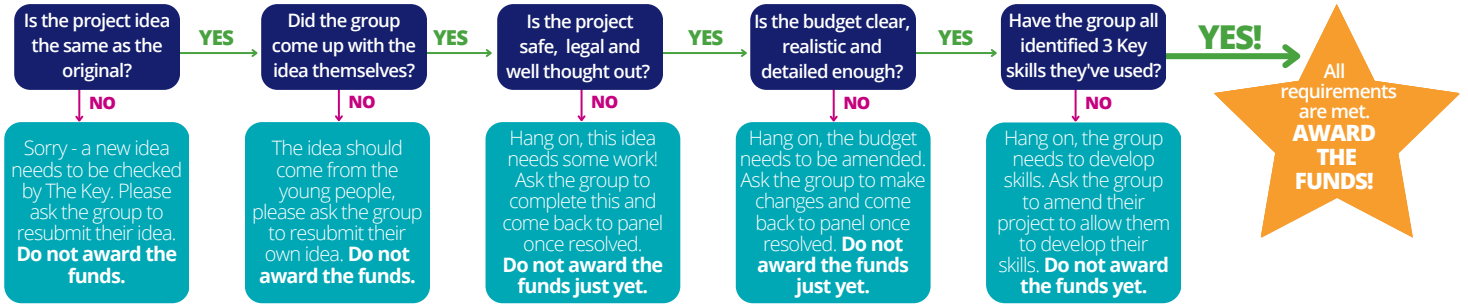

12 Key Skills

During a Kickstart Skills project, group members should all use **at least 3** of the 12 Key Skills throughout the process. The group should identify and discuss this development as they pitch but if not please ask further questions to find out.
