THE BIG GIVE CAMPAIGN

What it's all about?

The Key are delighted to be Dulverton Trust's chosen partner for the Big Give 2021. The Big Give is an online, matched funding campaign designed to bring charities, philanthropists and donors together, to maximize impact.

We have ONE WEEK TO DOUBLE DONATIONS made through the Big Give platform between the 30th November and 7th December 2021!

We're excited to make the most of this opportunity and raise vital funds needed to invest in even more genuinely youth-led projects.

The more we raise, the more we give!

HOW WE'LL MAKE IT HAPPEN

How we're going to raise it

1. During the Big Give week, staff and trustees of The Key are taking part in various sponsored challenges.

Our flagship challenge will be a team 12 mile sponsored walk for young people. A mile for each of the 12 Key Skills young people develop through The Key.

A team challenge is something we've never done before and we're excited to be marching together to inspire belief in even more young people.

2. Live posting across social media to encourage others to donate and invest in young people's futures too.

We'll be sharing a different reason to donate each day throughout the week.

How you can help

1. <u>Follow us</u> and our Big Give campaign on social media

We'll be sharing lots on social media throughout the week so be sure to follow us on Twitter (@thekeytweets) and Facebook & Instagram (@thekeyuk)

2. Spread the word about our Big Give donation campaign

Spread the word by sharing our post and posting your own to increase our reach. We've created some suggested messages on the next page to make it easier to share.

3. Donate during the week if you can

A £5 donation turns into £11.25 once it's been doubled and Gift Aid has been applied. <u>Click here to visit our donation page.</u>

REMEMBER to wait until 30th November to get your donation doubled!

Blog & Newsletter Message

The Key strives to empower young people to believe in themselves. They create opportunities for groups to connect, receive investment for their ideas and take charge of their projects.

Taking part in The Key liberates young people from the belief that there are limits to their abilities and prospects. It shapes their attitude, builds confidence, skills and resilience in meaningful ways and we think more young people should be able to benefit from it.

During 30th November and 7th December, all donations to The Key will be DOUBLED! Inspire belief in young people by increasing access to The Key. Invest in young futures today by donating here: <u>https://bit.ly/3nm7LSU</u> #ChristmasChallenge21
